

RESOLUTION BY THE NATIONAL ASSEMBLY OF QUÉBEC

THAT, in the interest of Québec families, the National Assembly urgently ask:

1) The Government of Québec to do everything possible in order to resume negotiations on the parental insurance issue, with a view to reaching an agreement with the Government of Canada that would enable the establishment of a Québec programme that meets the needs of Québec families and that is financed in particular by means of a fair and equitable reduction in the contributions of Québec employers and workers to the employment insurance programme of the Government of Canada;

2) The Government of Canada to take part in good faith in these negotiations and to demonstrate more flexibility and openness towards the needs of Québec families and the primacy of Québec in the field of family policy.

TRUE COPY OF THE MOTION CARRIED BY THE NATIONAL ASSEMBLY ON 13 JUNE 2000.

Québec, this thirteenth day of January 2004
